TEXAS PROJECT HIGHLIGHTS

Lee College: Four Buildings

Baytown, TX

Monument has begun roofing four different buildings at **Lee College**. These facilities include: the *Gymnasium* (seen above), *Movers Bldg.*, *Paint Storage Bldg.* and the *Grounds Bldg.* Collectively this will involve an installation of approximately 37,200 sq. ft. of **Duro-Last**.

Oakwood ISD

Oakwood, TX

Oakwood ISD: Elementary School is responsible for teaching and educating young children. So, it may go without saying that all the students and faculty need to have a good roof over their heads.

Monument has assisted with regard to **Oakwood ISD's** need. With this said, **Monument** is in the business to help anyone with the best roof possible. A **Duro-Last** roof system is good for nature and good for you!

 Camp County Courthouse

Pittsburg, TX

Camp County Courthouse (seen here) has received a new **Duro-Last** roof system installed by **Monument** measuring approximately 5,000 sq. ft.

Lucky Liquor

Beaumont, TX

Monument would like to raise a glass in toast to **Lucky Liquor** and applaud them for understanding the importance of going green with a **Duro-Last** roof system!

Monument feels confident in using **Duro-Last** and **Monument** has installed approximately 5,825 sq. ft. of **Duro-Last** for **Lucky Liquor**.

STATUS UPDATE: Elkhart ISD

Elkhart, TX

The project of **Monument** roofing **Elkhart ISD: High School** began this past December.

At press time the **Elkhart** project was 90% complete. Once it is finished, **Monument** will have installed approximately 84,280 sq. ft. for **Elkhart ISD**.

Lumberton ISD

Lumberton, TX

It is important for educational facilities to have quality roof systems. This is because schools house faculty, staff, students, and other equipment.

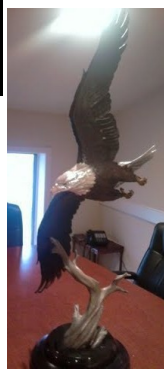

Lumberton ISD: Intermediate School understands this and **Monument** has installed approximately 69,400 sq. ft. of **The World's Best Roof** for them.

Race Trac: 6 Locations

Monument has roofed a total of 6 different Race Trac locations (all in Louisiana) with Duro-Last. Two locations were in Baton Rouge (one is pictured here), two additional locations were in Lafayette, one in St. Rose and one in Boutte.

Next time you fuel up, you may ask yourself, "how green is this gas station?" Now you know, these 6 have an environment-friendly roof system.

STATUS UPDATE: Ten Mile Island

Frisco, CO

With all the wintery weather slowly fading away, it may have taken longer than expected, but Monument was able to assist Ten Mile Island in Frisco, CO. A condominium is a place that holds lots of people, but it also protects these individuals from the weather, elements and other outside forces. Monument appreciates Ten Mile Island in giving them the opportunity to install approximately 11,000 sq. ft. of a Duro-Last roof system on their property.
